Purpose, audience & learning outcomes

COURSE PURPOSE**Spanish that supports professional practice.**

A level-based intensive Spanish course for teachers of every subject, trainers, university staff and other education professionals. This flexible route normally starts on a Monday and places the participant in a suitable existing MAXX level group. It is not a separate international Erasmus+ group and does not include a Sunday or Saturday programme.

DESIGNED FOR**Teachers & Education Staff**

- Teachers, language teachers, trainers and school leaders
- Erasmus+ coordinators, support and administrative staff
- VET and Adult Education professionals
- International staff groups with clear professional learning goals

What participants will be able to do

LEARNING OUTCOMES**Spanish for real interaction**

- Communicate in Spanish in professional situations with greater confidence
- Use practical vocabulary for meetings, emails, calls, projects and everyday work
- Apply communication strategies with greater confidence
- Recognise relevant intercultural patterns in professional exchange

PROFESSIONAL CAPABILITIES**Professional transfer**

- Set a personal professional language objective
- Reflect on professional communication choices and transfer them to work
- Exchange practices with peers and MAXX staff
- Create an individual follow-up and transfer plan

Preparation & delivery

BEFORE ARRIVAL**A focused starting point**

- Needs analysis and participant profile
- A0 route or short placement check for prior knowledge
- Pre-arrival information and practical course guidance
- Confirmed Monday start, suitable level group and course timetable

DURING & AFTER THE COURSE**Guided, active and documented**

- Qualified trainer and CEFR-informed level grouping from Monday to Friday
- Interactive Spanish learning, guided practice, feedback and supervised study
- Professional communication tasks linked to the participant's role and goals
- Certificate of attendance and completion documentation for the actual course

Flexible-course note: this five-day Monday–Friday route does not promise a dedicated international Erasmus+ group, a Sunday welcome, a Saturday closing activity or any social arrangement. Travel, accommodation and optional services are confirmed separately in writing.

Content and methodology

CONTENT FOCUS

Language and professional focus

- Speaking, listening, reading, writing and mediation
- Spanish for professional interaction, teamwork, meetings and projects
- Vocabulary and grammar in meaningful context
- Intercultural communication and professional exchange

HOW LEARNING HAPPENS

Active Spanish learning with professional relevance.

Learning combines level-appropriate Spanish tuition, pair and group work, role plays, guided professional tasks, peer exchange and feedback. Structured learning connects practical scenarios, reflection and transfer to participants' roles and learning objectives.

Sample programme

Indicative Monday–Friday programme with 30 hours (60 min). The course programme reflects the actual level group, participant profile and learning objectives. Travel, breaks, meals and optional activities are not course hours.

Documentation and responsible delivery

PROVIDED AFTER COMPLETION

Clear information for the sending organisation

- Certificate of attendance with course title, dates, location and hours (60 min)
- Course programme and intended learning outcomes
- Attendance and completion information
- Supporting information for the organisation's recognition process, where agreed
- Organisation ID (OID) E10080145 · MAXX Institutes / Instituto de Idiomas Ibiza S.L.

IMPORTANT PLANNING NOTE

KA1 course conditions

KA1 funding, project eligibility and payment are decided by the sending organisation and its National Agency. MAXX is an independent course provider. The flexible route requires confirmed level grouping and transparent written information; it does not promise an international peer group.

This programme is a planning and course-description document. Dates, course group, accommodation, local activities and any optional service are confirmed only in your quote.
